

Telephone Conferencing

Quick Reference Card incl. Dial-in numbers

Dial-in and Dial-out of Web Meetings

Spread combines Web and Telephone Conferencing. Participants can dial in and dial out of meetings by telephone.

Telephone Conferencing without PC

Web Meetings can also be used for Telephone Conference Service as well. You can control your meeting by dial pad of your telephone – without internet access.

Dial-In into a meeting room

- 1 First generate a Web Meeting.
- 2 Choose a suitable Dial-in Number from the list (see page 2).
- 3 Wait for the telephone information service. Enter your Meeting number and Participant / Moderator-PIN. Confirm your input with the pound key (“#”).
- 4 As moderator you can define your PIN on your own (see page 2). As participant, you will get the meeting number and your PIN in your invitation email.

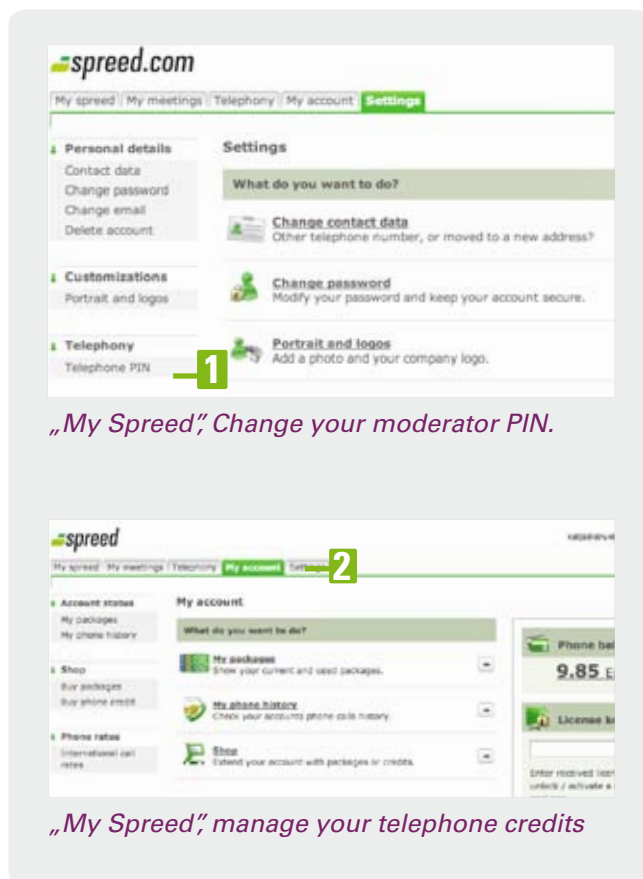

Telephone controls

Spread provides a set of telephone controls, so that you can hold your telephone meeting as you want by just using your dial pad on your phone. The telephone controls start with “*” on your phone continued with a number. In case your phone is connected to a caller extension or telephone system, you may have to change your phone settings to “dial tone”.

- *0 Reset own feedback (all participants)
- *1 Open meeting room in case of an activated lobby so waiting participants are entering the meeting (for moderators connected only by phone)
- *6 Mute / unmute your own microphone (all participants)
- *7 Ask a question (all participants)
- *91 Get information about the present participants (only moderator)
- *92 Telephone Dial-out (only moderator, Spread Credits required)
- *96 Mute / unmute all participants (only moderator)
- *97 Lock / unlock meeting room (only moderator)
- *98 Record / Stop recording (only moderator, voice/video and presentation recording)
- *99 End meeting (only host of the meeting)

How to set up your moderator PIN

- 1 Log in on www.spread.com. (www.spread.com).
- 2 Click on the menu entry “Your Spread Profile”
- 3 Click on “Telephone PIN” (menu on the left side) [1]
- 4 Change your personal Phone login PIN to any 7-digit-number (the initial value is a random value). Confirm your selection.

The use of Telephone Credits

As moderator you can dial out of Web Meetings. The host of a meeting will be charged for the credit units used.

Callers are responsible, for their credit units when calling into a meeting. Spread provides cost – effective dial-in numbers for your attendees when needed. **To ensure dial-in, please use a Channel Pro Package for your meeting.**

Purchase Telephone Credits

You can purchase Phone Credits for Telephone Conferencing on www.spread.com/store. To access your actual credit balance, please visit “My Spread” (“My Account” [2]) or have a look at the Meeting interface [3] itself.

Dial-in Numbers. Call at local rate

Spread offers Dial-in numbers for Telephone Conferencing in 26 countries. Choose a number which is next to your actual location and phone at local rate.

You can also see a current list of conference numbers in the meeting interface and in every meeting invitation you send.

Dial-in with Skype

Spreed is offering dial in via Skype for all attendees. Just search for the name: **spreedeurope** in Skype and add it to your contact list. To dial in please type in your Meeting-ID.

Private Meetings require a PIN number, which is included in your meeting invitation. An audio announcement will also assist you through the dial-in process.

Dial-in via SIP Telephone

Taking part in a meeting it is also possible dialing in via SIP. Choose one of the addresses below. After connecting, follow the audio instructions and type in the number of your meeting room.

You may also have to enter your PIN, when accessing a Private meeting.
