

**spread Call**

# Call back your Online Customers easily

Spread Call Solutions for your Internet presence

[www.spread.com](http://www.spread.com)

**struktur**<sup>®</sup>

# Provide a call back feature for your website visitors!

- ✓ Personal phone calls instead of automated formula
- ✓ Easier and less expensive than 0800 numbers
- ✓ Available as Button, avatar or video call
- ✓ Increase your online lead generation

## Advantages

### Reach customers

Speed Call allows you direct access to your website visitors effortlessly.

### Click to call

Just one click on your website's Speed Call link and your online visitor can talk to your directly by phone. No more tedious number to dial. Customer reach you without ever leaving your site.

### Personal Conversation

Speed Call turns the visitor's online experience into a personal conversation!

### Increase your Leads

A Speed Call qualifies your leads in just a few seconds. It shortens the sales cycle for high-value and/or support-heavy products and services in a phenomenal way. Provide effective support, increase your online sales and lower your operating costs.

*A Speed Call Avatar example on the WiredMinds website.*

Participants' phone numbers and privacy are protected. Phone number ranges and individual countries can be blocked.

Calls are free of charge for your customers. Speed Call is easier, less expensive and more globally accessible than a 800 number.

**Tip:** When using Google AdWords® for lead generation, Speed Call can greatly contribute to the conversion of clicks to viable leads.

# Only 3 Steps to personal Conversation

## Immediate Telephone Contact

Offer your customers the ability to contact you with a simple click without ever leaving your website.

## Live Personal Communication

Provide support to your online customers directly and personally over the phone. Explain your products and answer support questions – all while your customer is still on your site.

## Online Web Meeting

Help your customers navigate your website, fill out forms and provide valuable feedback. Help your visitors find additional up-sell and cross-sell products through Web Meetings.

*Online Support*

# Spread Call Solutions

## Spread Call Button

- Click-to-Call Button
- Different designs available

Your online visitor is connected to you with a simple click on the Spread Call Button – without having to leave the site. You determine which landline or cellular numbers the call is routed to. Also choose which countries you will accept.

Design your own Click-to-Call button or use one of the Spreads existing links.

## Spread Call Avatar

- Click-to-Call with talking Avatar

Welcome your online visitors with a personal greeting and a friendly smile!

The Spread Call Avatar is an ideal representative for your company and products.

In addition to phone calls, products and services can be immediately presented live with a Spread Web Meeting!

## Spread Call Video

- Click-to-Call with own video
- For websites, eBay, ...

Spread Call Video enriches your website with video presentations and more effectively converts impressions into qualified sales leads! Communicate by phone with your online visitors even while the video is running.

Additionally, a Web Meeting Room is immediately available. Improve your consulting processes with live presentations, screen sharing and personalized webcam videos.
